

Postponement of first Tuesday Race, 2018 Keelboat programme

Owing to the destruction of the plinth supporting the Hut during the March storm, it has been necessary to postpone by a fortnight (14 days) the start of the first Tuesday keelboat series.

Accordingly, the date of first Tuesday race will be the 8th May.

The Thursday series is unaffected; the first Thursday race takes place as scheduled on the 26th April.

Dinghy racing also is unaffected; it will proceed as scheduled.
